**2014 SYRAH**

Vadasz Vineyards

Sonoma Valley, Sonoma County

**VINEYARD**

We are very lucky to have procured these Syrah grapes from Judy and Les Vadasz. Their vineyard is located on the west side of Sonoma Valley which has the perfect terroir for Syrah. These grapes are slow to mature yet so ripe, an ideal combination for a California Syrah.

**VINTAGE**

100% Syrah

**TASTING NOTES**

You will find dazzling aromas of red and blue fruits, cinnamon, clove, leather and cedar. Vivacious flavors of wild strawberry, dark cherry, boysenberry, blueberry, pepper and black olive. Rich and lively texture, layered with chewy tannins, vibrant acidity, and a persistent finish. Elegant, refined, and fantastic with fine cuisine.

Enjoy-
