Sangiaco Vineyards

Sonoma Valley, Sonoma County

VINEYARD

The Sangiaco's have been farming grapes in Sonoma Valley for over 92 years. Three generations of the Sangiaco family have farmed their family vineyards in the Carneros AVA. World renowned for growing distinctive, award-winning cool climate grapes, the family is also well known for producing fruit of quality and distinction. Today's fruit comes exclusively from select vineyard rows and are all hand tended by the family resulting in a wine that is delicious, elegant and very special.

VINTAGE

100% Merlot from the Sangiaco Estate.

TASTING NOTES

This sensational new release features attractive aromas of slight green pepper, mint leaf, blackberry, cherry & jalapeno pepper. On the palate are notes of licorice, blackberry, cocoa, strawberry and black pepper leading to a long, graceful finish.

Enjoy-
